1. This contract is under and subject to Executive Order 11246, as amended, of September 24, 1965, the Federal Labor provisions and the Equal Employment Opportunity (EEO) provisions as contained in the contract, specifications and bid documents.
2. All mechanics and labors on the project shall be paid no less than the minimum wage rate established by the U.S. Secretary of Labor. A copy of the Department of Labor Wage Rate Determination applicable to this contract is included in the specifications.

A certification for "Assurance of Disadvantaged Business Enterprise Participation" shall be submitted **with their bid** of the Construction Contract.

The award of the contract, if it be awarded, will be to the lowest responsible bidder whose proposal complies with all the requirements prescribed and who has met the goal for DBE participation or has demonstrated, to the satisfaction of the County, adequate good faith efforts to do so.

and mailed on or before the third day, not including Saturdays, Sundays and legal holidays, following bid opening will be accepted even if it is received after the fourth day following bid opening. Failure to submit the required DBE information by the time specified will be grounds for finding the bid or proposal non-responsive, other bidders need not submit DBE information unless requested to do so by the department.

4. Required for All Contracts:

- a. The bidder must supply all the information required by the proposal forms and specifications.
- b. - e. EEO and labor provisions, when applicable, are included in the bidding documents of specifications and are available for inspection at the Architecture and Engineering Department, General Services Group, County of San Bernardino.
